

Supply of digital content LED Trotter

Technische specificaties images

Resolution: 72 dpi
Mode: RGB
Black colouring: ROGOB0
Dimensions: 336 x 240 mm
File extension: jpg

Make sure that your wording is at least 10 cm so that it will be visually readable from the recommended distance.

Anything that is smaller might turn out too small to read or blurry. This also applies for video content. Smaller texts or wording will be unreadable and only colour and shape will be recognizable.

Files can be sent via wetransfer.com
